Nilean Cobbins

Weekend Night DSP
Community Living III

"The most important thing that endeared me to Ms. Nilean, as I call her, is her honesty-especially when I was first promoted to CL III Director as I was a diehard ICF man. When I met her at Jib Cove, she greeted me warmly and laid it on the line. She didn't leave herself out of the process. She is a person with integrity and a solid set of principles. She has stuck by us through thick and thin in spite of other obligations and responsibilities. Ms. Nilean, we at CL III appreciate you and all you do for our service recipients. Thank you!"
