## **Senator Cohen Visits SRVS**

On November 23rd, 2009, Senator Cohen visited SRVS to tour our on-site facilities. First he visited our day center, saw our classrooms and visited with our staff and service recipients. Next he visited SOS Industries, our on-site workshop. All of our recipients were excited to greet Senator Cohen and pose for pictures with him. To view photos of this tour, please visit our [SRVS Facebook album](#).
