## **Mayor Wharton Visits SRVS**

SRVS was honored to have Mayor Wharton tour our facilities at our 3592 Knight Arnold location on March 26th, 2010. The Mayor visited with staff, parents, and service recipients from the day center which supports 55 adults with disabilities, and SOS Industries, our on-site workshop that employs more than 140 individuals. The Mayor took the time to personally greet many of our individuals and listen to their stories. After his tour, the Mayor spoke to the Getwell Business Group of which SRVS is a member, where he agreed to make an appearance at the Getwell Clean Up on April 10th! For a photo gallery of his tour, visit [SRVS Facebook Album](#).
